

Browser Requirements for Using Dynamo™

To use Dynamo, you need a computer or mobile device with a browser and Internet connection.

Browser

- The most recent version of Mozilla Firefox. **Recommended** for optimal balance of application performance and presentation.
- The latest version of Google Chrome.
- Internet Explorer 8, or more recent.
- Microsoft Edge on Windows 10.
- Safari 6, or more recent.

Netage tests under the browsers listed above and does not guarantee that Dynamo will work on other browsers.

Browser settings

- Enabled cookies.
- Enabled JavaScript.

See your browser's Help for instructions on how to enable them.
